

## **CONTINUOUS GLUCOSE MONITORS**

### **Libre**

Need a Libre View account and need to link your account to Great Plains Diabetes Account

Great Plains Diabetes (GPD) Practice code 16634567

Reader only upload to Libre View <https://pat.libreview.io/> from home.

If using the phone as the reader, one will still need a LibreView account that links to GPD

### **Dexcom**

**If using your phone as the reader, you will need the Dexcom Clarity app**

From the Dexcom Clarity app you will generate a Share Code to provide to us to review

<https://www.dexcom.com/clarity>

## **INSULIN PUMPS**

### **Minimed Carelink**

<https://carelink.minimed.com/patient/entry.jsp?bhcp=1>

### **Tandem Tconnect**

<https://tconnect.tandemdiabetes.com/Login.aspx>

You will need to provide your user and password to Great Plains Diabetes staff to link to their clinic account.

### **Omnipod**

### **Link to Glooko**

<https://www.glooko.com/landing/insulet-provided-glooko/>

Great Plains Diabetes connect code is greatplains
